

This Privacy Policy applies to your use of the website of Imunexus Therapeutics ('Imunexus' or 'the Company') at www.imunexus.com. This Privacy Policy sets out how and when your personal information is collected, stored and distributed by Imunexus through use by you of www.imunexus.com. Should you have any questions or concerns about this Policy, please contact Imunexus at info@imunexus.com

Cookies

This website may use cookies. Cookies are small pieces of data stored on the web browser of your device. These are used by Imunexus to grant users access to certain parts of the Imunexus website and also to manage traffic and other activities.

Typically, web browsers can be configured to accept all cookies, reject all cookies, or notify you when a cookie is sent. Each browser is different, so check the "Help" menu of your browser to learn how to change your cookie preferences. You may configure your browser not to accept cookies however, this may disable or render unusable some of the features of the website.

Hyperlinks to other Sites

This website contains links to other websites. Imunexus is not responsible for the privacy practices or the content of other such websites.

Registration to receive Imunexus announcements

The Imunexus website provides the facility for you to subscribe to receive information from the Company. By submitting your information on the Imunexus website, you consent to the sharing of this information with our partners for the purposes of providing Imunexus related information to you. Personal information provided by you to enable you to receive information, including email addresses, will only be used for the purpose for which you have provided it, unless you consent otherwise or we are required to disclose it by law.

Personal Information Management

Storage and Security

Imunexus will take reasonable steps to protect your personal information from misuse, interference, loss, unauthorised access, modification or disclosure. Personal information is stored in electronic databases hosted both by Imunexus and our partners. This establishes a session and encrypts all traffic between our website server and your browser. Other technologies and processes are utilised to protect your privacy including, but not limited to, access controls, network firewalls, encryption and physical security measures.

Use and Disclosure of Personal Information

We will only use your personal information (including your e-mail address) for the purpose for which you have provided it, unless you consent otherwise.

We will not disclose your personal information to third parties, unless you consent or in other circumstances where such disclosure is required or authorised by law.
